EXPERIENCE

FREELANCE

Personal Projects - Freelance

- Showcasing expertise in web and hybrid projects, I demonstrate proficiency in Angular for front-end interfaces, Ionic, and Capacitor for hybrid solutions, and .NET for robust back-end APIs. This highlights my ability to create effective end-to-end solutions, ensuring seamless integration and optimal performance across platforms.

BRITISH ENGLISH INSTITUTE

Administrative

- Skilled in organizing information both digitally and on paper.
- Proficient in handling phone and email queries, adept at resolving client concerns.
- Expertise in Word, PowerPoint, and Excel for document creation and management.
- Efficiently used billing and time software for data entry and record maintenance.
- Proactively maintained office systems, collaborating with IT for issue resolution.
- Effectively managed client concerns and complaints.
- Tracked office expenses and created invoices, ensuring accuracy and timeliness.
